Setting up a company in Cyprus

1

- Approval of the company name by the Registrar of Companies. In cases where fast registration is needed a shelf company can be used and the name can be subsequently changed.

2

- The Memorandum and Articles of Association are prepared.

3

- The company documents are submitted to the Registrar of Companies

Setting up a company in Cyprus

4

- The Registrar of Companies will need approximately 5 working days to analyse the application and issue the Incorporation Documents.

5

- The documents received from the Registrar are being legalised by apostille by the Ministry of Finance in the Republic of Cyprus.

6

- We prepare a file for each client, containing the documents specified in the following slide.
